

The water system for Ruedi Shores is managed and maintained by Ruedi Shores Metropolitan District. Property owners receive a quarterly bill.

“Availability of Service” fee for Lot owners

“Water Usage” fees for Homeowners

Water conservation was a condition of our approval from Eagle County and we use a tiered rate structure in our billing to encourage water conservation.

Our system uses a spring and 2 wells and we have a 250,000 gallon storage tank.

Base rate for quarterly water usage:

Unconnected (availability of service)

\$75 flat fee

0-25,000 gallons

\$150.00 flat fee

25,000-45,000 gallons

\$15 per 1,000 gallons

45,000 + gallons

\$50 per 1,000 gallons

Tap fee is \$5000
